

A Patient's Guide: Self-Registration in MyCareCorner

The MyCareCorner patient portal provides patients with access to their electronic health record. You, as the patient, can self-register for the MyCareCorner patient portal by going to MyCareCorner.net and creating an account. Once you have an account, you will need an invitation code (as seen in Step 8 in the Self-Registration section) to access your health record and those of your family members. Contact your healthcare provider (hospital or clinic) to request a registration invitation for MyCareCorner.

Self-Registration

1. To self-register, enter MyCareCorner.net into your browser window.
2. The Welcome page is displayed. In the **New User** section, click **Sign Up**.

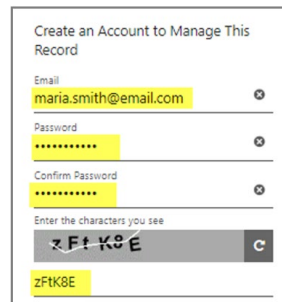

3. The Create Account screen is displayed.

4. Enter your First Name, Last Name, Sex, and Date of Birth.

Access approved

Congratulations! You have completed the steps necessary to exchange information with your provider. Depending on how your provider uses MyCareCorner, they might view information that you add to your MyCareCorner record, or add information to your MyCareCorner record for you to view. Please ask your provider if you have questions about what to do next. You may be able to use apps that work with MyCareCorner to create, view or use health data in your record.

- As the Patient Dashboard is displayed, a **Your Data is Loading** message is displayed. Once the message disappears, refresh your browser and your health record will be displayed.
